

# TOPIC 1 - CLIMATE CHANGE & ENERGY POLICY

Friday, 23 October 2015

Sessions Room, Nuclear Fuel Cycle Royal Commission  
Level 5, 50 Grenfell Street, Adelaide SA 5000

## Professor Tom Wigley, University of Adelaide (9am)

Professor Wigley is a Professorial Fellow at the University of Adelaide with over 40 years of experience in the discipline of climate science. He has previously served as director of the Climatic Research Unit at the University of East Anglia, UK, and a senior scientist the National Center for Atmospheric Research in Boulder, Colorado. Over the years, Professor Wigley has authored numerous publications relating to climate science and has been a key contributor to many reports by the Intergovernmental Panel for Climate Change.

### Topics to be addressed at this public session:

- ⊕ Climate change predictions
- ⊕ International and national emission reduction targets
- ⊕ Opportunities in future energy policy.
