Dear Wesley

I refer to the request of 1 February 2016, from Laura Rollison in your office for following information:

- data for 2014-15 uranium exploration expenditures
- mining related revenues (including the total State Royalty value)

The excel spreadsheet provides details of uranium exploration expenditure for 2014-15 and also the preceding years. The attachment also provides information on uranium production and royalty payments to the State for the same period.

I am forwarding this letter and excel spreadsheet attachment to you by email.

Yours sincerely

Dr Ted Tyne
