WHAT IS NUCLEAR ENERGY CYCLE?

NYAA NYANGATJA WANGKANYI NUCLEAR ENERGY CYCLE?

MINING URANIUM

The Nuclear Energy Cycle starts with mining uranium

Nyanga Nuclear Energy Cycle tataringu mining uranium-pangka

ENRICHMENT

The next step is changing the uranium – this is called enrichment

Munu palulanguru piruku uranium kampa kutjupankunyntja ini pala palumpa nyanga alatji "enrichment"

MAKING ELECTRICITY

Then the enriched uranium is used to make electricity

Palulanguru uranium-nguru electricity palyantjaku

MANAGING WASTE

When uranium is used to make electricity, nuclear waste is created. The last part of the Nuclear Energy Cycle is managing the waste.

Panya uraniumnguru electricity palyani Nuclear Energy Cycle-nguru palyara wiyaringkula raputji malaringkula mantangka ngaringntja tjuta atunymananyi munu utulura tjunanyi.

WHAT IS THE NUCLEAR ROYAL COMMISSION? NYAA NYANGATJA ALATJI WANGKANYI NUCLEAR ROYAL COMMISSION?

SA GOVERNMENT

The State Government has appointed a Commissioner to answer questions about the Nuclear Energy Cycle in South Australia.

State Government-pangku tjapinu Commissioner kulira wangkanytjaku munu tjakulyt-junkunyitjku Nuclear Energy Cycle-tjara South Australia-la.

COMMISSIONER HON KEVIN SCARCE

The Commissioner has to think about risks and opportunities gather evidence and prepare a report.

Commissioner-ngku alatji kulintjaku ngaranyi panya kutjupa kutjupa wiru-tjara munu kura-tjara alatjiriku.

GATHERING EVIDENCE

The Royal Commission will answer the questions in the Terms of Reference by:

Royal Commission-pangku tjana tjukurpa ngurira kulilku Terms of Reference-ngku markurpa nyanga tjanala nguru alatji:

PREPARING A REPORT

After the Commissioner has gathered evidence, a report will be prepared.

Palula malangka Commission-er-ngku tjukurpa ara tjuta nguru mantjira tjungulku panya palula nguru wangkara kulintjaku.

COMMISSIONER
HON KEVIN SCARCE

Commissioner-ngku alatji kulintjaku ngaranyi panya kutjupa kutjupa wiru-tjara munu kura-tjara alatjiriku

TERMS OF REFERENCE

The questions are included in the Terms of Reference for the Commission.

The Terms of Reference ask if we can do more of the Nuclear Energy Cycle in South Australia.

Paluru tjapilku tjukurpa kutjupa tjuta kulu Terms of Reference-pa tjara.

Tjapilku pirukula nyanga alatji palyanma nyanga Nuclear Energy Cycle-pa South Australia-la.

Getting submissions

Tjukurpa nyiringka palyantja Anangungku munu warka kutjupa tjuta nguru

Doing its own study

Walytjangku palyantja

Talking to experts

Anangungku munu piranpangku uwankarangku nintingku wankara kulintjaku

The Commissioner will talk to people about the report, and people can have a say before it is finished.

Commissioner-ngku Anangukula wangkaku ara payna palumpa tjara munu Anangungkulta kulira ma-wangkaku wiyaringkunyitja kuwaripangka.

The final report will be provided to the State Government in May 2016.

Tjukurpa panya ara tjuta wiyaringkulalta State Government ungangyi May 2016-pangka.

GETTING INVOLVED

Who have we been talking to?

We have been talking to Anangu and Piranpa all over South Australia.

The Commission is talking with Anangu about the Nuclear Energy Cycle, what we are doing and how Anangu can have a say.

The Commission will give Anangu information.

The Commission will not talk about nuclear waste storage (looking after nuclear waste) on Anangu land.

The Commission will not ask Anangu for agreement or a decision.

If you want to know more, visit www.nuclearrc.sa.gov.au or call Jon Bok (Regional Engagement Manager) on 08 8207 1480.

Nganala tjanalala nganmanytju wangkangi?

Anangungka munu piranpangka-la nganmanytju wangkanyi uwankaranga South Australia-la.

Nuclear Royal Commission-tjara Anangu tjutangka wangkanyt-jaku, yaaltji yaaltji ananguku wangkaku nyaala alatji palyani.

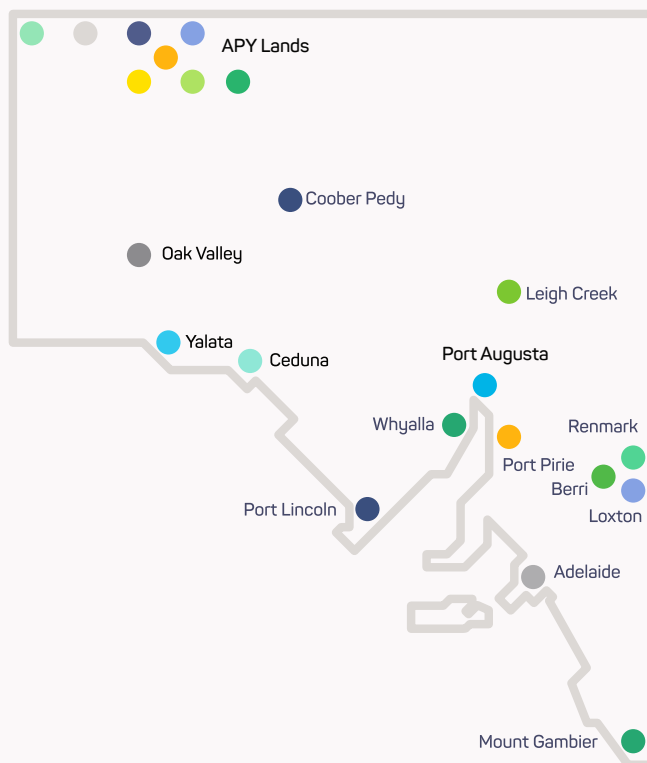

Commission-pangu Anangu tjuta tjukurpa ungkuku.

Commission-pankgu nuclearku raputji tjuta tjara wankantja wiya (panya raputji nguru waninytja tjuta atunymananyi) Angungku ngurangka.

Commission-pangu wangkara wituwituntja wiya Anangu tjutangku wangkara kulira mukuringkutjaku.

The Nuclear Royal Commission is visiting APY communities in July and August

Community information sessions start late morning and a BBQ lunch is provided after.

Monday, 20 July 2015 - **Ernabella**

Tuesday, 21 July 2015 - **Fregon**

Monday, 27 July 2015 - **Mimili**

Tuesday, 28 July 2015 - **Indulkana**

Tuesday, 4 August 2015 - **Amata**

Wednesday, 5 August 2015 - **Kanpi**

Thursday, 6 August 2015 - **Pipalyatjara**

All community are invited to come to learn about the Nuclear Royal Commission and how Anangu can have a say.

If you want to know more, visit www.nuclearrc.sa.gov.au or call Jon Bok (Regional Engagement Manager) on 08 8207 1480.
